

Yoleo Gaming Chair

Parts Drawing & Assemble Instructions

On/Off
Mode

Attention:

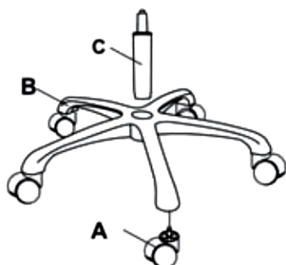

For extending the lumbar massage cushion's lifespan, 10-15mins per use time is recommended.

Accessories List

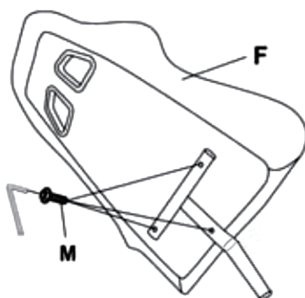

Ax5 	Bx1 	Cx1 	Dx1
Ex1 	Fx1 	Gx2 	Hx1
Ix1 	Jx1 	Kx4 	Lx8
Mx3 	Nx4 	Ox4 	

Installation Procedure

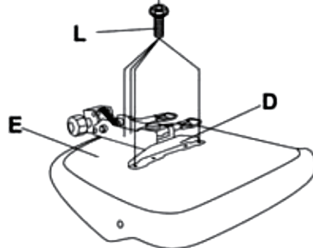

- 1 Insert Casters into each chair leg and then put the Gas Lift into the chair base.

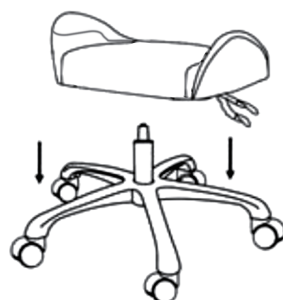

- 2 Use Screw M to hold the T-bar on the bottom of the backrest.

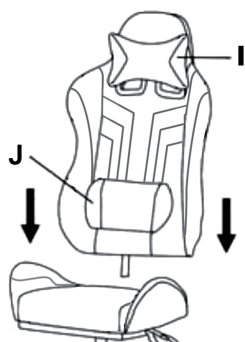

- 3 Be aware of distinguishing the orientation of the Seat Controller D (as shown), align & tighten it with Screw L.

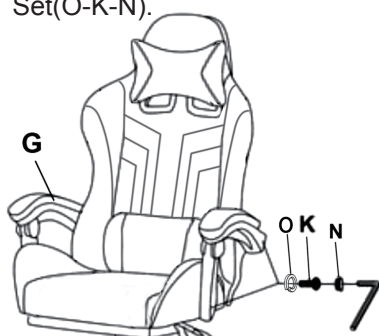

- 4 Once finished, put the Seat part onto the Base part.

- 5 Then put on the Backrest part.

- 6 Fix the armrests with Screw Set(O-K-N).

⚠ WARNING

This gaming chair is only for normal sitting. Please be aware of its maximum weight capacity is 300 pounds.

ATTENTION

- Before assembling, please check whether you have received all the parts.
- We suggest the whole assembly should be completed by two adults.
- Please correctly follow the assembly instructions step by step.
- Incorrect assembly may affect the sitting experience or even cause injury.
- Please make sure all the bolts, screws, and knobs are securely tightened before sitting. We suggest you check again every 60 days.
- Please make sure the whole assembly is completed before using it.
- To avoid discoloration, please keep this gaming chair away from any chemical materials.
- For daily cleaning, you could use a rag to gently wipe any stains or dirt out.

One-Year Warranty

Every YOLEO gaming chair comes with a one-year replacement warranty. If there are any quality problems or missing parts issues, please contact our support team online or via e-mail.
